## The Pledge of Oblivion

Contained in this tome is the Pledge of Oblivion. The Pledge is to be given by the High Necromancer to the new Aspirant Necromancers joining the Order. It is to be given during the Ritual of the Dead. In this Pledge, the high Necromancer shall ask the Aspirant(s) questions. They are to give the expected answers. Thus begins the Pledge.

"State ye pitful name(s) for Obilvion to hear!"

\*Aspirants state names\*

"Ye have come in search of the Ebon Skull to learn the dark arts of Necromancy. Are ye true to this cause?"

\*Aspirants agree to this\*

"Are ye ready to throw away ye previous life, for a better life in the service of Obilvion?"

\*Aspirants agree to this\*

"Will you attempt to end the Light and bring destruction to the foul Play King in the name of Obilvion?"

\*Aspirants agree to this\*

"Then let it be done! Ye  
all have now taken ye  
first step towards  
serving Oblivion! Welcome  
to the Order, my  
brethren!"

\*The High Necromancer  
now casts Bless on each  
Aspirant. Aspirants now  
take formation behind the  
High Necromancer and any  
other Necromancer already  
in formation\*
